

“ADOPT A TABLE”

This is your opportunity to put your unique and creative talents to work! How? Adopt a table for the upcoming *Ladies Brunch* on May 1st. We can exercise our gifts and resourcefulness as we serve each other. You have the opportunity to plan and decorate a table (for eight) any way you choose. It can be as simple or as elegant as you please. From coordinated paper goods to your finest china - from the tablecloth to the last candle or goblet - YOU get to decide. All tables will need to be completely set either Friday evening (April 30th) or Saturday morning before 10:00am.
